Event & Media Waiver

As a condition of my participation in this meeting or event, I hereby waive any claim I may have against the Institute of Food Technologists (IFT) and its officers, directors, employees, or agents, or against the presenters or speakers, for reliance on any information presented and release IFT from and against any and all liability for damage or injury that may arise from my participation or attendance at the program. I further understand and agree that all property rights in the material presented, including common law copyright, are expressly reserved to the presenter or speaker or to IFT.

I acknowledge that participation in IFT events and activities brings some risk and I do hereby assume responsibility for my own well-being. This acknowledgement includes my guest(s)'s participation in any events. I agree to not allow any other individual to participate in my place.

IFT intends to take photographs and video of this event for use in IFT news and promotional material, in print, electronic and other media, including the IFT website. By participating in this event, I grant IFT the right to use any image, photograph, voice, or likeness, without limitation, in its promotional materials and publicity efforts without compensation. All media become the property of IFT. Media may be displayed, distributed or used by IFT for any purpose.

By registering for this event, I agree to the collection, use, and disclosure of Personally Identifiable Information (PII). PII includes any information that identifies me personally (e.g. name, address, email address, phone number, etc.). IFT will use PII to: (a) enable your event registration; (b) review, evaluate and administer IFT initiatives; (c) market IFT opportunities you may potentially be interested in; and to (d) share your PII with third parties that perform services on behalf of IFT, including but not limited to, database management, event housing, and transportation. IFT may use your PII for so long as IFT remains active in conducting any of the above purposes.
